Turning Point Ensemble 2011/12 Ensemble in

Residence

LCMS is pleased to welcome the Turning Point Ensemble as Ensemble in Residence for the 2011/12 academic year. This Vancouver-based ensemble was formed in 2002 by its musician members, and its mandate is to increase the appreciation of music composed during the past 100 years, linking the music of earlier times to the music of today through innovative programming and outstanding performance. The Ensemble was recently honoured with the prestigious Rio Tinto Alcan Award for Performing Arts, 2011.

LCMS is also excited to announce a unique educational opportunity associated with the Turning Point Ensemble residency. Starting in September of 2011, LCMS will be hosting three "**Creating Composers**" sessions with the Turning Point Ensemble. These sessions will provide an opportunity for students to learn about and actively participate in the step-by-step process of creative composition. If you are interested in learning more about the Creating Composers program, please contact the LCMS office for more information and to register.

LCMS Annual Membership

At the Annual General Meeting this past October, 2010, several by-law changes were approved by the membership. One of these changes provides clarification to the term of annual memberships. **All memberships, regardless of when purchased, now expire at the end of June, corresponding with the end of the LCMS fiscal year.** Membership in the Langley Community Music School society is \$10 annually, and is included as part of the student registration fee.
